Projects

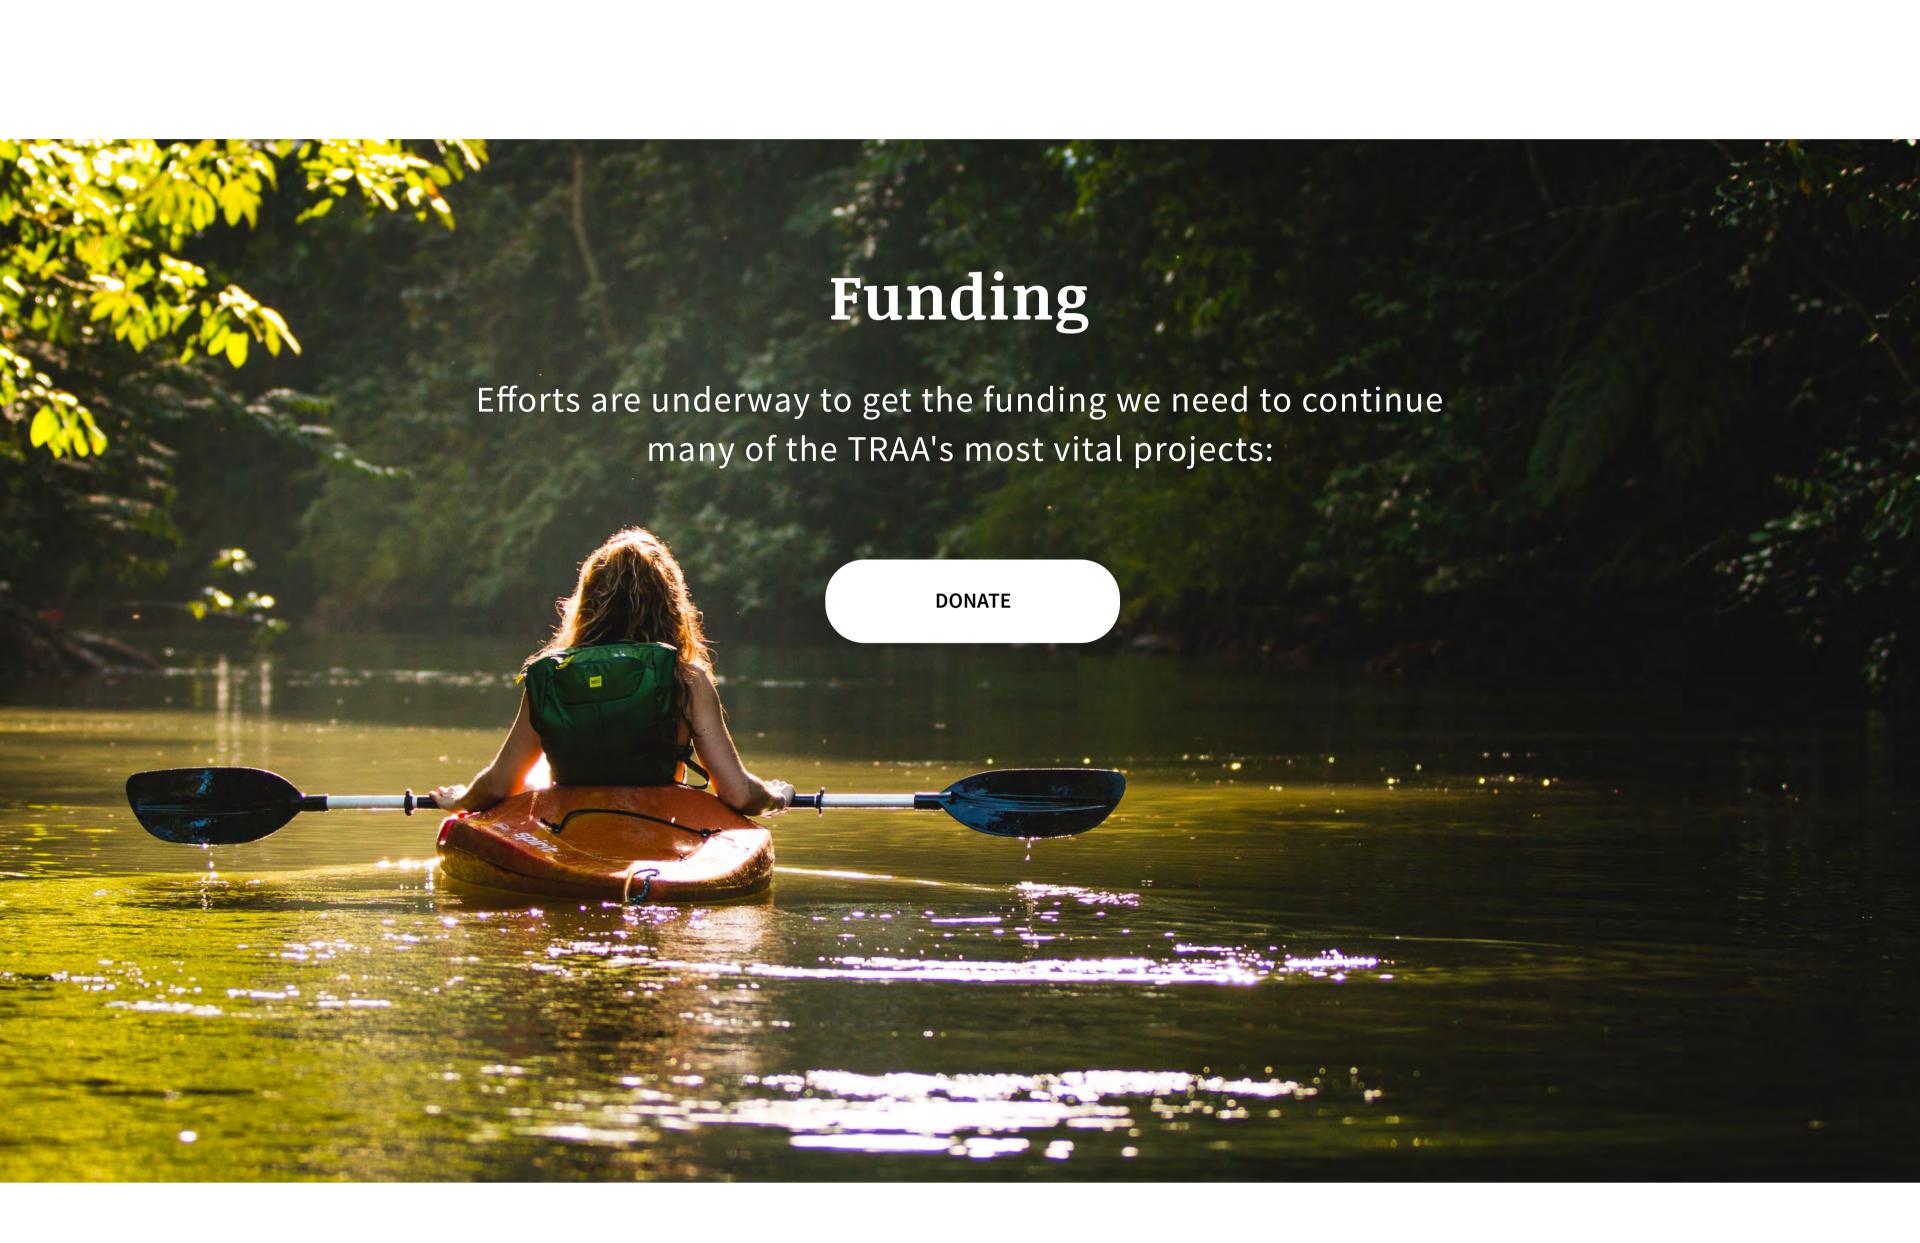

The TRAA trout hatchery is a popular activity of the TRAA as it's a great teaching tool with regard

to the life cycle of a trout. Those involved with the hatchery get to see firsthand the development stages of the egg and the fry before their final release destinations to area streams. **LEARN MORE**

This will be a series of informal, hands-on sessions that will result in a spinning or fly rod that you have assembled and finished yourself.

Registration will be closed when 15 paid-up participants have registered, or January 11, 2019, whichever comes first. **LEARN MORE**

are a steal at \$15 each.

There are three different hat colours available: Clay Grey, Burnt Orange and Taupe. If you thought the tee's were a good deal, all three editions of these hats are also priced at \$15 each.

We now have some nice stickers featuring the TRAA logo that you can display on your vehicle, boat, lunchbox or wherever you like. These are \$2

each but you get one for joining the TRAA as a

member or renewing an existing TRAA

membership. Get your TRAA Gear (makes a great Christmas gift!) at any TRAA event, such as this coming General Meeting.
